**Welcome to Birmingham**

Thank you for registering to attend the Advanced Practice Provider Curriculum at Children’s of Alabama. We hope that you find your stay in Birmingham enjoyable, and we are looking forward to some great networking opportunities amidst three days packed with education about management of patients with congenital heart defects. In this document, you will find important information for your trip — the agenda and hotel information, as well as recommendations about places to eat while you’re in Birmingham. If you need additional information or have any questions, please don’t hesitate to contact Ashley Moellinger at: ashley.moellinger@childrensal.org.

**Continuing Education**
This course offers a total of 20 NAPNAP CE hours, of which 4.5 contain pharmacology (Rx) content per the National Association of Nurse Practitioners Continuing Education Guidelines.

PA CMEs are not available for this course.

**Transfers and Parking**

If you are flying into Birmingham Shuttlesworth International Airport, an Uber/Lyft or taxi can get you to your hotel. The distance to recommended hotels is approximately 7-8 miles.

Uber/Lyft is readily available for transportation from the hotel to the hospital for those not within walking distance. The address for drop off is: 1600 7th Avenue South, Birmingham, AL 35233 (McWane Building).

If you are driving, park in the 7th Avenue Parking Deck; tokens will be provided for deck payment. We plan to have escorts available periodically Monday morning inside the McWane Building on the 1st floor next to the revolving glass doors until classes begin. A map of the hospital with directions to the conference area is provided on the last page for your convenience.
