

JOB OPPORTUNITY

Job Title: Chief for the Division of Pediatric Cardiology

Date Posted: 2019-11-21

Job Location: Palo Alto, CA

Job Requirements:

The Department of Pediatrics at Stanford University is seeking a Chief for the Division of Pediatric Cardiology. The successful candidate will be a recognized leader in pediatric cardiology and will be responsible for the supervision and development of clinical services, education, and research activities for members of the Division, both within the Department of Pediatrics and other relevant areas of the Stanford School of Medicine, the Stanford Health Care system including Lucile Packard Children's Hospital Stanford (LPCHS), and its partner sites. The Chief of the Division of Pediatric Cardiology will also be appointed as the Director of the Betty Irene Moore Children's Heart Center. The Director works alongside the Executive Director and the Executive Administrative Director to lead the Heart Center. Appointment will be at the level of Associate or Full Professor and will occur either within the University Tenure Line or Medical Center Line professoriate. Faculty rank and line will be determined by the qualifications and experience of the successful candidate. The typical candidate would be board certified in both Pediatrics and Pediatric Cardiology. However, individuals from other disciplines with comparable and compatible experience, including those trained outside of the United States, will also be considered. The predominant criterion for appointment in the University Tenure Line is a major commitment to research and teaching. The major criteria for appointment in the Medical Center Line shall be excellence in the overall mix of clinical care, clinical teaching, scholarly activity that advances clinical medicine, and institutional service appropriate to the programmatic need the individual is expected to fulfill.

Job Description:

The activities of the Division are wide-ranging and include cutting-edge clinical care, research, and education on the Stanford University campus as well as subspecialty clinical care in partner sites in California and other states in the Western US.

Contact information:

Stanford is an equal employment opportunity and affirmative action employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability, protected veteran status, or any other characteristic protected by law. Stanford welcomes applications from all who would bring additional dimensions to the University's research, teaching and clinical missions.

Please submit a current CV and a brief letter outlining your interests to: Dr. Timothy Cornell and Dr. Frank Hanley (Search Committee Co-Chairs), c/o Clarissa Lujano, clujano@stanford.edu
