

# JOB OPPORTUNITY

**Job Title:** LEADER - Pediatric Cardiac Critical Care

**Date Posted:** 2019-11-22

**Job Location:** Grand Rapids, MI

## **Job Requirements:**

Dual Board Certified in Pediatric Cardiology AND Pediatric Cardiac Critical Care with experience in managing acutely ill cardiac patients.

## **Job Description:**

Dr. Marcus Haw and Dr. Joseph Vettukattil invite you to explore a tremendous opportunity to lead the new Pediatric Cardiac Critical Care Center at Helen DeVos Children's Hospital (HDVCH) in Grand Rapids, MI. Our surgical outcomes were awarded Three Star Status by the STS, one of only eleven centers in the US to receive such standing. HDVCH Cardiology is a large practice of 3 cardiac surgeons, 12 congenital cardiologists, and 2 adult congenital cardiologists and is well integrated with the adult cardiac services. You will also enjoy the advanced technology including state-of-the-art cardiac catheterization lab, 3D and 4D echocardiography lab with Echopixel 3D visualization platform, and 3D printing and rapid prototyping facility.

## **Contact information:**
